### INCIDENT DESCRIPTION

R/P alleges that the accused officers deemed her the aggressor in a verbal altercation and failed to allow her to file a report against the other party involved in the altercation. When the R/P asked the Sgt. who determines who is the aggressor during an altercation and if she was deemed the aggressor because she is tall & black and her neighbor is white & frail, the Sgt. on scene responded "probably." The R/P said she did not interpret the Sgt.'s response to her question as insulting or verbally abusive but more so an honest response to her question that the Sgt. himself may have been surprised to provide in such a candid manner. R/P further alleges that the officers did not do a thorough on scene investigation and some of the information in the report (RD# JC164657) is falsified; including listing witnesses that did not see the incident.
