INCIDENT DESCRIPTION

8/2020

I'm an older adult and since, I am an adult, I went out and went, to the fitness center.

I was, there for a hours and worked out. I am exzausted. I had, no streatgh, when attacked.

I was, out by the Pier putting and afterwards, went to my fitness center.

I was, walking up the street after getting off the bus, I noticed, a male sitting by a building, on its front steps.

I at times, have noticed the ladies, in the building with their male partners.

Since, co vid 19 they, are more visable and out in the open, sitting on other person's property which is, surprising whereas, they, could have sat in the back yard, Of the rental property.

At times, I say hello to the ladies and never stop, to chat with them and their partners.

The, males do not come up to me and try, to chat or introduce, themselves and I do not try to talk, to them away from their lovers.

I ignore them.

I'm, from Chicago and really do not, have a need for their friendship.

Or the ladies, of the building. As a person and being, social I, state a greeting, of hello to them.

They, aren't nice and act like old gangbangers from back in the day who, got tossed out and now they, run the building. I ignore, them because they, are old and are neurologic deficited persons, who may have been on crack.

I really, do not know them it's, an educated guess.

As I am, walking up the street, I notice the person, from Apt 215's male friend getting off the ground.?

He, was hanging in the iron fence.

I do not know the person and walked by with my golf club hitting the fence. As I approached the person, I walked away from him and the gate. I walked past him and kept going. As I was walking away he, forced my attention on him.

He stated "you aren't going to hit me with that". I was like no one want you .. and walked away..he came up behind me and started to reach for me or my club.

I was, like surprised that he, was trying to talk to me as if, I were his lover in the middle of a domestic fight.

He, grabbed for my physical person and I swing, loosely at him, because I did not want to hurt him. I, do not know him, and am not, a violent person, however, I was not going to allow him, to touch me without a fight or to take, my backpack.

I did not connect with him I had to put a finger into his eyes to get him off of me. He was there yelling up to his girlfriend in apt 215 and she, did not want to answer to him.

Since, I refused to allow him to intimidate me he started to act violent and grabbed my back pack.

I pinned him up against the iron fence however I did not want to try to choke him only, told figure out what was wrong.

I figured, he was trying to steal from me.

I might, have heard his name before however, I forgot it and did not say his name.

He, might have bit his lip and maybe, was caught be the club

I, did not know he, was going to be there and for some reason, he noticed me, comming up the block and recognized me. That's when he started his come on line about me not hitting him.

I myself, had an attitude of why, would I hit you I do not know you. And walked away. However, he came up behind me and startled me, so I swung at him.

I want to press charges of assaults and battery with intent of the ft.

He, tried to pick up my IDs and creditcard. He broke some glasses and sloped me a few times. He tried to punch me however, I blocked him and gouged, his eyes.

I'm a older person and not used to having to fight. Just contact the local cops.

I am also complaining to your department because that attack transpired at about 5:30 - 6:00 on and at 7:05 pm the local cops have not come to respond after being contact three times.

The lady in 215 knows where to find her boyfriend andl want him arrested. She, sat in her apt window and tried to distract me as if, I were attacking so he could beat the crap out me.

I want, her arrested as an assorory during the

Was it in a School?: No
